### *Sunday Reflection - John 2:1-12*

January 16, 2022

Declare the marvelous works of the Lord.

At a wedding at Cana, Jesus changed water into wine. The changing of the water into wine is a symbol of the old order yielding to the new. The new wine cannot be put into old wineskin. This means we have to change. Christ has to touch our hearts and help us to love unselfishly. For those who seek his help, the miracle of Cana still happens - the water of selfishness is changed into the wine of true love. And wonderful as the old wine was, the new wine is still better.
